PLACES THAT MATTER INFORMATION FOR PLAQUE SPONSORSHIP

PROJECT BACKGROUND

Vancouver has a relatively brief but colourful past. To honour that past, Vancouver Heritage Foundation conceived the Places That Matter plaque project bringing the stories of the people, places and events that have shaped Vancouver to the public through a series of 125 plaques linked by QR codes to online images and history of the sites. The project began in commemoration of the 125th anniversary of the incorporation of the City of Vancouver in 2011.

The 125 plaque sites were nominated through an online public nomination and voting process. The final site selection was made by a committee reflecting Vancouver's diversity. Professional historians and writers wrote the plaque text in collaboration with the site owners. Plaque presentation ceremonies and events have been planned throughout the city in partnership with community, non-profit, business and other local groups. All plaque presentations are open to the public.

PLAQUE SPONSORSHIP

- Each plaque has a sponsorship opportunity
- Sponsors are named on the plaque
- The sponsorship fee of \$750 covers the cost of the research, writing and production of the plaque
