** For liability reasons, Vancouver Heritage Foundation cannot legally recommend any of these trades or companies. They are simply names that have been passed on to us by homeowners and professionals who have been happy with their services. We have been told that they have experience working with old buildings, renovations or heritage restoration. We would greatly appreciate your feedback on working with any company we passed on to you, or to be notified about a change in their contact information. Likewise, if you come upon a trade or company that you would like to recommend to others, please let us know about them.*

Please provide three quotes for the painting of your building from this list. You may also submit a quote from a painter that is not on our list. However, they will need to contact us and provide references for us to consider their quote. Please ensure that any painters not on our list are willing to follow our Guidelines (found on our True Colours webpage) before asking them to provide a quote for your project.

Contact Vancouver Heritage Foundation if you have any questions:
