*To view the paint schemes of Mole Hill, visit the True Colours webpage and download the Mole Hill Historic Paint Schemes PDF that identifies the original paint schemes on the Mole Hill Community Housing Society houses painted in 1999-2000.

True Colours is a grant program created by Vancouver Heritage Foundation and Benjamin Moore paint. Heritage Buildings on the Vancouver Heritage Register are eligible to receive funds from VHF and free paint from Benjamin Moore to restore their original historic paint schemes. Vancouver Heritage Foundation grants provide support to heritage building owners for the maintenance, restoration, repair and rehabilitation of their buildings. The grant application deadline for all grants is February 1st of every year.
